Disc Golf

Waller Mill Park is home to an 18-hole Disc Golf course. Disc Golf is played in much the same fashion as traditional golf but uses thrown discs instead of a struck ball. The sport, which was first played in the 1970s, shares a similar goal with traditional golf of completing a hole in the fewest number of strokes (or in this case, throws!). Players will have a choice of two tee pads at each hole from which to throw their discs along the fairway towards the metal basket.

Fishing

The lake is stocked with striped bass, largemouth bass, crappie, blue gill, yellow and white perch, catfish and red-eared bream. Fishermen can rent one of the park's rowboats for a daily rate or if they prefer, a boat ramp is available for launching their own small boat. Electric motors may be used, and are available for rent at the boathouse.

No bank fishing is allowed at the park; however, two fishing piers are available free of charge. A Virginia state freshwater fishing license is required to fish in the lake.

Boating

Rowboats and pedal boats are available for rent year round. Canoes and kayaks are also available for rent during the warmer months. Lifejackets are supplied for each person when renting a boat. **Swimming in the reservoir and beaching of boats is strictly prohibited.**

Picnic Shelter Rentals

Four picnic shelters are available for rent and can accommodate up to 150 people depending on the shelter rented. Reservations are taken on a first-come, first-served basis and can be made by contacting the park or visiting the boathouse.

DOG PARK

The Dog Park at Waller Mill Park is located at the main entrance to the park, adjacent to the parking lot. The 1 ½ acre dog park is an unleashed dog park with two areas for dogs to run. One fenced area is for smaller dogs weighing 30 lbs. or less, and the other fenced area is for all dogs.

- Dogs must be brought to the fenced areas on a leash.
- All dog owners using the dog park, whether daily access or annual membership, must present their dog license certificate and their rabies vaccination certificate. This paperwork is required to access Waller Mill Dog Park.
- Prior registration is required in order to access the park and all owners/handlers must read and agree to abide by the dog park rules.
